### **About Snap Intermediates:**

Snap Intermediates is manufacturer, Contract Manufacturer of Bulk drugs (API- Active Pharma Ingredients) intermediates & Pharma intermediates. With an Industrial experience of 30 years, we are amongst the most preferred names offering various organic and inorganic intermediates for bulk drugs & pharma Industries. We are also engaged in contract manufacturing. Our scientist offers their valuable inputs for the intermediates to the manufacturer as per the requirement of our esteemed clients. Owing to the dedicated approach of our experienced team, we have successfully garnered vast clientele across India and world's Countries.

### **Our Vision:**

Our quality conscious approach has enabled us to achieve complete client satisfaction through our array of organic and in-organic intermediates. We believe in bringing long lasting values to our customers, which has enabled us to partner with esteemed clients across India, other Asia countries and Europe Countries. Catering to the requirements of our clients in the best possible manner, has been fruitful in getting respective orders from existing ones across the pharmaceutical industry. Our ability to tailor-made the intermediates from reputed manufacturers, as required by our clients has further added an advantage to our portfolio.

### **Our Strengths:**

Our adherence to ethical business practices have resulted in strong bonding with our clients across India, other Asia countries and Europe Countries. We are a preferred business partner, due to the following reasons:

1. Industrial experience of 30 years
2. Quality array of organic and in-organic intermediates
3. Procurement from established manufacturers operating in the industry
4. Stringent quality checks practiced at all levels
5. Highly proficient team members
6. Commitment to maximum client satisfaction
7. Efficient sales and marketing team
8. Capacious warehouse
9. Wide distribution network
10. Timely delivery
